Climate Change FAQ

What is climate?

+

What is climate change?

+

What is the evidence that shows the climate is changing?

+

How do we know humans are causing climate change?

+

Why is climate change a serious problem?

+

How does climate change affect my health?

+

How can we reduce the risks we face from climate change?

+

What are the benefits of acting on climate change now?

+

Can I make a difference?

+

Where can I learn more?

+

WE ARE CLIMATE REALITY

Our Mission

Our mission is to catalyze a global solution to the climate crisis by making urgent action a necessity across every sector of society.
